12 CHRIS KOHLER,

13 Plaintiff,

14 v.

15 THE VONS COMPANIES, INC.,

16 Defendant.

Case No. 08cv0082 IEG (RBB)

**Declaration of Lynn Hubbard, III, in
Support of Kohler's Motion for
Attorneys' Fees and Costs**

Date: April 28, 2008

Time: 10:30 a.m.

Ctrm: 1, 4th Floor

Honorable Irma E. Gonzalez

**[No Oral Argument Unless
Requested by the Court]**

1 I, Lynn Hubbard, III, declare that I am duly licensed to practice in all the courts
 2 in the State of California, and if called as a witness and duly sworn, I would and
 3 could competently testify to the following based on my own personal knowledge:

4 **SUMMARY OF THE CASE**

5 1. This is a civil rights case for denial of access to a place of public
 6 accommodation and for failure to remove architectural barriers in violation of the
 7 Americans with Disabilities Act of 1990 (ADA), and California state laws. Plaintiff
 8 Chris Kohler ("plaintiff") sought injunctive relief, damages and attorneys' fees
 9 including litigation expenses and costs, pursuant to the ADA, 42 U.S.C. §12101, *et*
 10 *seq.*, California Civil Code §§51, 51.5, and §§54, *et seq.*, and California Health &
 11 Safety Code §19955, *et seq.*

12 2. I am familiar with the procedure for entering time and cost entries at the
 13 Disabled Advocacy Group, APLC, viz., a software program called TimeSlips.
 14 Attorneys and paralegals are instructed to record their time spent on a file
 15 immediately (or as soon as they are able).

16 **PLAINTIFF'S FEE REQUEST**

17 3. Plaintiff's attorneys' fees and costs calculate to \$7,008.50. This amount
 18 includes \$6,625.50 in attorney and paralegal fees and \$383.00 in costs. These fees
 19 and costs were actually incurred, and were reasonable and necessary to effectively
 20 prosecute this case.

21 4. In achieving the relief described above, plaintiff's counsel spent a total
 22 of 23.75 hours, as follows:

23 _____Lynn Hubbard	16.95 hours @ \$350/hr =	\$ 5,932.50
24 Scottlynn Hubbard	0.60 hours @ \$225/hr =	\$ 135.00
25 Paralegals	6.20 hours @ \$90/hr =	<u>\$ 558.00</u>
26	Total	\$ 6,625.50

27 5. Attached hereto as Exhibit "A" is an itemization of attorney and
 28

1 paralegal time. This exhibit accurately reports the itemized tasks performed by
 2 counsel and counsel's personnel as contemporaneously recorded and maintained by
 3 the Disabled Advocacy Group, APLC.

4 6. As the Court may be aware, compensatory damage awards in disability
 5 access litigation are traditionally small in comparison to the equitable results
 6 achieved; as such, statutory attorneys' fees are essential to enforce anti-discrimination
 7 statutes. Recovery of statutory public interest attorneys' fees is a primary source of
 8 income for this office.

9 7. My billing rate for services performed in non-complex litigation is \$350
 10 per hour. This rate is based upon my education, knowledge and experience as a
 11 litigation strategist and trial lawyer, my years of practice, and my success rate. I
 12 charge \$175 per hour for travel time.

13 QUALIFICATIONS OF PLAINTIFF'S COUNSEL

14 8. I graduated from Western State University College of Law and was
 15 admitted to the California bar in 1976.

16 9. I have been a trial attorney for over 30 years.

17 10. I have conducted in excess of 250 jury trials during my career.

18 11. I have received recognition from the California Trial Lawyers
 19 Association (1986) as a "plaintiff's personal injury" and "experienced trial" attorney.

20 12. In 1982 and 1987, I was certified by the State Bar California as a
 21 specialist in the field of criminal law.

22 13. I have over eight published decisions.

23 14. I have litigated in excess of 500 ADA/Title 24 cases. My office
 24 represents the disabled in the Eastern, Central and Southern Districts of California.

25 15. For the last eight years, more than 95% of my practice is and has been
 26 dedicated to protecting the rights of the disabled. The balance of my practice (5%)
 27 is devoted to selective cases wherein I feel the rights of an individual or a group of
 28 individuals have been adversely affected through no fault of their own. The 5%

1 balance of my practice rarely leads to the recovery of fees and/or costs.

2 16. Our office has handled over 500 access actions resulting in the removal
3 of architectural barriers to make the public accommodation accessible.

4 17. I have authored videotapes and related workbooks on the preparation of
5 plaintiffs for depositions.

6 18. My office is currently comprised of myself, two associate attorneys, one
7 paralegal, a receptionist and a financial officer.

8 19. While my office is small, the hiring of associate attorneys and paralegal
9 staff in today's highly competitive legal marketplace has increased my office's
10 financial burdens. Rising salaries demanded by associates in California, along with
11 paralegal staff, affect the cost burden associated with the overall legal community in
12 Chico, California.

13 20. A summary of the qualifications of my associates and paralegals who
14 worked on the case is as follows:

15 **Paralegals:**

16 The individuals listed below meet either of two criteria under Business and
17 Professions Code Section 6450 for paralegals: (1) They hold a baccalaureate degree
18 or an advanced degree in any subject, and have a minimum of one year of law-related
19 experience under the supervision of an attorney who has been an active member of
20 the State Bar of California for at least the preceding three years or who has practiced
21 in the federal courts of California for at least the preceding three years; or (2) They
22 are a high school graduate and have a minimum of three years of law-related
23 experience under the supervision of an attorney who has been an active member of
24 the State Bar of California for at least the preceding three years or who has practiced
25 in the federal courts of California for at least the preceding three years. These
26 individuals are qualified to perform paralegal tasks, and I bill \$90 per hour for their
27 time.
28

Crista Duncan - Crista Duncan graduated from Paradise High School in June of 2002, and immediately began working for the Law Offices of Chris Atherton (until June 2003). In July of 2003, Ms. Duncan was hired by the Law Offices of Lynn Hubbard, where she has held several positions of increasing responsibility. She completed the paralegal studies extension program at University of California - Davis (which program meets the paralegal requirements as outlined in Business & Professions Code Section 6450(c)(2)), and received her paralegal certificate in December 2005. During her tenure at my firm, she has been under my supervision, and is qualified to perform paralegal tasks.

Kaina Murray-Schukei - Kaina Murray-Schukei graduated from Shasta High School in June of 2000. She was hired by the Law Offices of Lynn Hubbard in June of 2005 as a calendar clerk, working her way up to the position of legal secretary, and finally, to Paralegal. She completed the Paralegal Studies Program at the University of California at Davis (whose program meets the paralegal requirements as outlined in the Business & Professions Code Section 6450 (c)(2)), and received her paralegal certificate in May 2007. During her tenure at my firm, she has been under my supervision, and is qualified to perform paralegal tasks.

21. A true and accurate itemization of costs incurred by my office in the prosecution of this matter are as follows:

Court Fees	\$350.00
Process Servers	<u>\$33.00</u>
Total:	\$383.00

22. Regarding the time and costs incurred on this case, a general overview will be addressed below:

Fees Incurred by Lead Attorney Lynn Hubbard, III

Phone calls to client: At the start of the litigation, I insist on either a personal meeting or telephone call with the client. In this case it was a phone call because Mr. Kohler is a previous client of the firm. During that call, she provided me with specific details of the barriers she personally encountered at the Sheraton.

Site Inspection, travel and note taking: It is my practice to travel to the site to view the facility and take notes in order to have first-hand knowledge of the accessibility issues that exist at the Facility.

1 **Review answer to complaint:** Every answer must be reviewed. ADA litigation is
2 unique, and lawyers unfamiliar with the law will often file answers lacking the
3 specific defenses. Reviewing the answer tells me if we are dealing with an amateur
4 or seasoned defense lawyer.

5 In addition, even seasoned defense lawyers make mistakes in their pleadings,
6 or include a defense that plaintiff may attempt to dismiss by way of motion.

7 **Preparation of Attorney Fee Motion:** My staff and I expended time preparing this
8 motion for attorneys' fees, litigation expenses and costs to present to the Court and
9 anticipate expending time in drafting and filing a reply.

10 **Fees Incurred by Paralegals**

11 Courts deciding fee motions have repeatedly held that it is not reasonable for
12 attorneys to perform and bill for a task that can be taken care of by para-professionals.
13 Accordingly, this office delegates as many tasks as possible to para-professionals,
14 whose qualifications were already summarized. I charge \$90 per hour for paralegal
15 time.

16
17 I declare under penalty of perjury that the foregoing is true and correct.
18 Executed on this 20th day of March 2008, at Chico, California.
